It is said that Eryan has reduce the price of his speeches to \$150 per. night. This is a great drop from \$1,500, but it is only another c.. ample of the operation of the law of supply and demand.

THE Lexington "Leader" prolishes a clever cartoon representing won the nomination, at the result of the free silver rooster singing "!: This Wheat By and By," the bist been literally slanghered. line of a new song, "\$1.00 Whent," It is evident, however, that the rise of vesterday, wi cat and the fall of silver has put a severe strain on the voest chord: or the Democratle rooster.

Me. BRYAN and his followe should beer in mind the f. et the there will not be a general rise in wages mitil there are no enamples of laborers. That a large number of corporations have voluntarily increased the wages of their employes or have yielded to demands for an increa e. show that labor is getting scarce and that business is much more profitable and times more mosperous. The New York "Journal" (silver Democratie) says that out of 100,000 able bodied laborers out . work and dependent on some form of charty lest winter, not 10,000 are new idle. It also says that while wiges have not been raisel, the jev envelopes are fatter be ause no time Is now lost. When there at 100 nuem ployed workingmen, ther. wr. - s advance steadily in obserce with the law of supply and dem. ad. Bee of the large number of the perpla wages do not advance as soon as farm products and other cormo
